

ARNOLD GBS

| 965arnold@gmail.com | <https://www.linkedin.com/in/arnoldgbs/>

Experienced in executive roles and an interest in Int'l Student Buddying made Arnold what he is. Someone who listens, adapts, but also made sure everything goes smoothly. He likes to dabble in environmental and technological project like automation and optimization.

Experiences

ASEAN University Network

Jun 2025 - Aug 2025

International Student Buddy

- Accompanied all 60+ of international ASEAN college students on an engineering summer course.
- Managed all students on field trips to environmental waste processing sites and cultural spots.

Tanoto Scholars Association

Apr 2025 - May 2025

Lead Coordinator of NGOBRAL: Ngobrol Bareng Alumni

- Pioneered a new event where we invited accomplished alumnus working at prestigious firms like Mandiri and Crewstone International.
- Carried out the event from start to finish in less than 3 weeks, with 90% of the target attendee joining.

Place of Worship

Jan 2021 - Present

Streaming Team

- Created content for the worship livestreams on Youtube, with 6000+ subscribers.
- Operated professional camera for the livestream and in-place worshippers, 200+ of them.

Electrical Engineering and Information Technology Association

Oct 2024 - Oct 2026

Workshop Staff and Event Coordinator

- Planned and coordinated the Image Processing Workshop at KMTETI, with 60+ individuals.
- Created the big theme, rundown, and execution for the election of KMTETI's leader, with 300+ students participating.

Find IT!

Oct 2024 - May 2025

E-sports Technician

- Handled all technical needs and livestreaming of all Find IT! e-sports competitions, with 2900+ participants.
- Made a Discord Server for E-sports players to coordinate and announce matches.

English Debate Club

Jul 2022 - Jul 2024

President

- Improved the structure of The Debate Club, resulting in exponential growth in debating activity after the COVID-19 pandemic.
- Made professional debating teams that won various debating championships.

Education

Universitas Gadjah Mada

Jul 2024 - Jul 2028 (Expected)

Bachelor of Information Technology

- Got a fully-funded scholarship on the 1st semester with a top 5 grade on my study program.

Organization

KOMATIK UGM

Dec 2024 - Present

Data Mining and AI

- Worked on Data Analyzation and AI implementation on Big Data, correctly identifying 80% of credit card fraud.

Gadjah Mada Debating Society

Oct 2024 - Present

Member of Debaters

- Won 2 debating championships, sharpening a sense of critical thinking while keeping an open mind.

Projects, Certifications, and Awards

- **Projects** (2025): Used ESP 32 and MQTT, to communicate through Wi-Fi to toggle LED and send data from a weather sensor.
- **Projects** (2025): Designed a solar panel system to power waste filters across the Code River, while on a tight budget.
- **Hard Skills** (2025): Designed a shape/face detection sensor (Image Processing) and Dynamic System (Matlab & Simulink).
- **Achievements** (2025): 3rd Champion of English Debate by UINSK, 1st Champion and Best Speaker of English Debate by UAD.
- **Interest** (2023): TOEFL ITP certification with a score 637/677 from Real Equivalent English.
